The Colorado Journeyman & Apprentice Training Program (CJAT) currently offers the following NCCCO Certifications:

- Rigger and Signallerperson
- Mobile Crane Operator
- Tower Crane Operator

Colorado Journeyman & Apprenticeship will accept all applications and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws.

Apprenticeship Program

The Apprenticeship program is a combined effort between Operating Engineers Local 9, The International Union of Operating Engineers, The Department of Labor, and our Signatory Contractors. During the Three year program each Apprentice will be required to attend safety and trade related classes. An apprentice MUST attend 144 hours per year of hands on training in heavy equipment skills and be employed by a signatory contractor.

During our Three year program you will learn:

Bulldozers, Backhoes, CPR+ First Aid, Fuels and Lubricants, Equipment Maintenance & Inspection, Grade Stakes, Graders, Scrapers, Loaders, Compactors, Class A Commercial Trucks, Pavers, Forklifts, Cranes, Crane load charts, and specialized construction machinery.
